Backend website

The screenshot shows a WordPress dashboard with a dark sidebar and a light main content area. The sidebar contains a list of menu items: Dasbor, Beranda, Pembaruan (with a red notification badge), Pos, Events, Media, Laman, Komentar, Proyek, Kontak (with a red notification badge), Everest Forms, Elementor, Templat, and Tampilan. The main content area is titled 'Dasbor' and contains three widget boxes. The first widget is 'Pembaharu Data Elementor' with a close button (X) and a message about a background data update process. The second widget is 'Start selling tickets to your Events' with a close button (X) and a message about selling tickets for free. The third widget is 'Contribute to the enhancement' with a close button (X) and a message about helping improve the plugin's features. At the bottom of the dashboard, there are utility links for 'Opsi Layar' and 'Bantuan'. The top of the dashboard shows the site name 'Dinas Sosial Kab. Karanganyar', a refresh icon, a notification icon with '0', and a '+ Baru' button. The top right corner shows the user name 'Hai, dinsos'.
